## Colour sample

Your Dominator dealer is happy to lend you actual metal colour swatches to take home and choose from.

## NatureSteel

The NatureSteel garage door option has all the natural beauty and warmth of timber with the long lasting benefits of steel. Available in an attractive Rimu timber-look colour – this low maintenance door gives you timber aesthetics that will stay looking good year after year.

## Looking for something else?

We have teamed up with Dulux to offer over 100 optional powder coated colours. Powder coating is a process where our garage doors are covered with a polyester or epoxy powder, which is then heated to fuse into a protective layer. You get an excellent finish and the choice of just about any colour you want.

### Disclaimer

**The colours in this gallery are intended as a guide only and are not available in all door styles.** Refer to the applicable style brochure for a colour matrix. If colour selection is critical please request a steel colour sample from your local Dominator dealer. Please make contact with your Dominator dealer for advice and samples. Dominator reserves the right to change/delete colours without notice.

<sup>†</sup>Normally acceptable imperfections that are inherent with flatter door styles may be visually enhanced by darker door colours such as those marked.

a) For areas within one kilometre of a corrosive environment eg. salt air or industrial fallout, special care and maintenance are generally required for metal products. Consult your Dominator Accredited Dealer for advice.

b) The process of roll forming sheet steel may cause irregularities in flat panel surfaces. Dominator prides itself on producing quality products and makes every effort to limit this visual effect where possible.

c) The company reserves the right to make changes or improvements to the products or accessories without notice and without incurring any obligation to make similar changes or improvements to goods previously ordered. Specifications subject to change without notice.

d) While New Zealand Steel Limited is our preferred supplier, steel products from other sources may also be used.

e) Details correct at date of publication.

As with all types of garage doors, for optimal trouble free performance and safety, we recommend you have your door serviced annually. Dominator® is a brand of B&D Doors (NZ) Ltd. Ph. +64 3 384 5145
